

AI in action: Bring your challenge. Start your AI journey

Capita's AI Discovery Workshop

Location: Capita Head Office, Kingdom Street,
Paddington, London.

Date to be arranged to suit your team:
Lunch followed by afternoon workshop

Join us for an engaging workshop designed to help public sector leaders unlock the potential of AI. This hands-on session invites you to bring a real-world challenge—whether it's a barrier to AI adoption or a specific problem you hope AI can solve.

What to expect

- Enjoy lunch and network with peers and Capita's AI experts
- Share your AI challenge and explore practical solution pathways
- Begin the journey toward tailored AI implementation
- Receive an invitation to future workshops and our Catalyst Lab

Book your session.

This is your opportunity to turn ideas into action.

You can sign up at the Future Gov Summit or email - bettergovernment@capita.com
