# Highlights & strategy

**Andy Parker** 

**Chief Executive** 

### H1 2014 key highlights

- Continued good financial performance
  - Revenue up 14%
  - Organic revenue growth of 11% (H1 2013: 3%)
  - Profit before tax up 16%
  - Interim dividend up 10%
- Strong sales and market drivers in key new and established markets
  - £1.3bn of major new contracts year to date
  - Healthy bid pipeline, currently at £5.7bn (Feb 2014: £5.5bn)
  - Public and private markets remain buoyant
- 10 acquisitions totalling £240m: healthy pipeline of opportunities
- Good operational performance
- Strong platform for growth in 2014 and beyond

### Good financial and sales performance

#### **Consistent strategy for growth**

- Maintaining a strategy that delivers double digit, sustainable growth
- Continuing to pursue long term, major contracts across our diversified private and public sector portfolio
- Securing niche acquisitions which add value to our propositions and open up new market sectors, fuelling future organic growth
- Sustaining a robust financial and governance structure with clear, consistent financial & operational KPIs
- Maintaining an open & transparent culture, with strong leadership and consistent values, whilst fostering entrepreneurial behaviours

### CAPITA

Creating value for all our stakeholders
