- as if Section 561 of that Act did not apply to any such allotment, and such authority shall (unless otherwise revoked or renewed), expire at the close of business on 30 June 2019 or, if earlier, on the conclusion of the Company's next Annual General Meeting, save that the Company may make any offer or agreement before such expiry which would or might require shares to be allotted or Allotment Rights to be granted after such expiry and the Directors may allot shares or grant Allotment Rights under any such offer or agreement as if the authority had not expired.
- For the purposes of this Resolution, the nominal amount of any securities shall be taken to be, in the case Allotment Rights, the nominal amount of such shares which may be allotted pursuant to such rights.
- For the purposes of this Resolution, 'pre-emptive offer' means an offer of equity securities that is open for acceptance for a period determined by the Directors to the holders of ordinary shares in the Company (other than the Company) on the register on any fixed record date in proportion to their holdings of ordinary shares (and, if applicable, to the holders of any other class of equity security in accordance with the rights attached to such class), subject in each case to such exclusions or other arrangements as the Directors may deem necessary or appropriate in relation to fractions of such securities, the use of more than one currency for making payments in respect of such offer, any such shares or other securities being represented by depositary receipts, treasury shares, any legal or practical problems in relation to any territory or the requirements of any regulatory body or any stock exchange.

 - (b) the minimum price (exclusive of expenses) which may be paid for such a share is its nominal value;

 - (d) this authority shall expire at the close of business on 30 June 2019, or if earlier, on the conclusion of the Company's next Annual General Meeting; and
 - (e) before such expiry the Company may enter into a contract to purchase shares that would or might require a purchase to be completed after such expiry and the Company may purchase shares pursuant to any such contract as if the authority had not expired.

NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

PROXY APPOINTMENT

- (1) A member who is entitled to attend and vote at the meeting is entitled to appoint another person, or two or more persons in respect of different shares held by him/her, as his/her proxy to exercise all or any of his/her rights to attend and to speak and vote at the meeting. A proxy need not be a shareholder of the Company. Where a member appoints more than one proxy in relation to the Annual General Meeting, each proxy must be appointed to exercise the rights attached to a different share or shares held by that member.
- (2) A Form of Proxy is enclosed. The appointment of a proxy will not prevent a member from subsequently attending and voting at the meeting in person.
- (3) A member wishing to attend and vote at the meeting in person should arrive prior to the time fixed for its commencement. A member that is a corporation can only attend and vote at the meeting in person through one or more representatives appointed in accordance with section 323 of the Companies Act 2006. Any such representative should bring to the meeting written evidence of their appointment, such as a certified copy of a board resolution of, or a letter from, the corporation concerned confirming the appointment.
- (4) Any member wishing to vote at the meeting without attending in person or (in the case of a corporation) through its duly appointed representative must appoint a proxy to do so. Hard copy forms for the appointment of a proxy are available on request from Link Asset Services on 0871 664 0300 (calls cost 12p per minute plus network extras. Lines are open 8.30am to 5.30pm, Monday to Friday excluding UK public holidays). To be valid, a hard copy proxy appointment form must be completed in accordance with the instructions that accompany it and then delivered (together with any power of attorney or other authority under which it is signed, or a certified copy of such item) to Link Asset Services, Proxy Department at The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU so as to be received by 11.00am on Friday 22 June 2018 or, if the meeting is adjourned, 48 hours, excluding non-business days, before the time fixed for the adjourned meeting (as the case may be). Alternatively, a member may appoint a proxy online by following the instructions for the electronic appointment of a proxy at www.capitashares.co.uk. To be a valid proxy appointment, the member's electronic message confirming the details of the appointment completed in accordance with those instructions must be transmitted so as to be received by the same time. Members who hold their shares in uncertificated form may also use 'the CREST voting service' to appoint a proxy electronically, as explained below. Appointing a proxy will not prevent a member from attending and voting in person at the meeting should they so wish.

NOMINATED PERSONS

- (5) Any person to whom this notice is sent who is currently nominated by a member of the Company to enjoy information rights under section 146 of the Companies Act 2006 (a 'nominated person') may have a right under an agreement between him/her and that member to be appointed, or to have someone else appointed, as a proxy for the meeting. If a nominated person has no such right or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the member concerned as to the exercise of voting rights. The statement in note 1 above of the rights of a member in relation to the appointment of proxies does not apply to a nominated person. Such rights can only be exercised by the member concerned.

INFORMATION ABOUT SHARES AND VOTING

- (6) As at 25 May 2018 (assuming the completion of the Rights Issue launched by the Company on 23 April 2018) (i) the Company's issued share capital is expected to consist of 1,668,387,135 ordinary shares, carrying one vote each, excluding 2,886,388 shares held in Treasury and (ii) the total voting rights in the Company are expected to be 1,668,387,135.

RIGHT TO ATTEND, VOTE AND ASK QUESTIONS

- (7) The right of a member of the Company to vote at the meeting, and the number of votes which may be cast at the meeting, will be determined by reference to the register of members. A member must be registered on that register as the holder of ordinary shares by the close of business on Friday 22 June 2018 or, if the meeting is adjourned, 48 hours, excluding non-business days, before the time fixed for the adjourned meeting (as the case may be) in order to be entitled to attend and vote at the meeting as a member in respect of those shares.
- (8) Each member attending the meeting has the right to ask questions relating to the business being dealt with at the meeting which, in accordance with section 319A of the Companies Act 2006 and subject to some exceptions, the Company must cause to be answered.

WEBSITE INFORMATION AND USE OF ELECTRONIC ADDRESS

- (9) Information relating to the meeting which the Company is required by the Companies Act 2006 to publish on a website in advance of the meeting may be viewed at www.capita.com/shareholders.
- (10) A member may not use any electronic address provided by the Company in this document or with any proxy appointment form or in any website for communicating with the Company for any purpose in relation to the meeting other than as expressly stated in it.

NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING CONTINUED

CREST MEMBERS

- (11) CREST members who wish to appoint one or more proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by using the procedures described in 'the CREST voting service' section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- (12) In order for a proxy appointment or proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (a 'CREST proxy appointment instruction') must be properly authenticated in accordance with the specifications of CREST's operator, Euroclear UK & Ireland Limited ('Euroclear'), and must contain all the relevant information required by the CREST Manual. To be valid, the message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Link Asset Services (ID RA10), as the Company's 'issuer's agent', by 11am on Friday 22 June 2018 or, if the meeting is adjourned, 48 hours, excluding non-business days, before the time fixed for the adjourned meeting (as the case may be). After this time any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means. The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) the issuer's agent is first able to retrieve it by enquiry through the CREST system in the prescribed manner.
- (13) Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings as well as its section on 'Practical limitations of the system'. In certain circumstances the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.

- (14) Please note the Company takes all reasonable precautions to ensure that no viruses are present in any electronic communication it sends out but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommends that the members subject all messages to virus checking procedures prior to use. Any electronic communication received by the Company, including the lodgement of an electronic proxy form, that is found to contain any virus will not be accepted.

VOTES BY POLL

- (15) In accordance with the Company's established practice, all of the Resolutions will be voted on by a poll and not by a show of hands so as to record accurately the decision of all members based on their shareholding interests in the Company. Members and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. The results of the poll will be published on the Company's website and notified to the UK Listing Authority once the votes have been counted and verified.

DOCUMENTS AVAILABLE FOR INSPECTION

- (16) Copies of the service contracts of the Executive Directors and the Non-Executive Directors' letters of appointment are available for inspection at the Company's registered office during normal business hours and at the place of the meeting from at least 15 minutes prior to the meeting until the end of the meeting.

EXPLANATORY NOTES TO THE RESOLUTIONS TO BE PROPOSED AT THE ANNUAL GENERAL MEETING

(1) Resolution 1 – Financial statements and reports 2017

For each financial year, the Directors are required to present the Directors' reports, the audited financial statements and the Auditor's reports to shareholders at a general meeting. The financial statements and reports laid before the 2018 AGM are for the financial year ending 31 December 2017 and, in accordance with the UK Corporate Governance Code, the Company proposes a resolution on its financial statements and reports.

(2) Resolution 2 – Approval of the Directors' Remuneration Report

In accordance with the Companies Act 2006, shareholders are invited to approve the Directors' Remuneration Report for the financial year ended 31 December 2017.

The Directors' Remuneration Report is set out on pages 75 to 89 of the Annual Report and Accounts 2017. For the purposes of this resolution, the Directors' Remuneration Report does not include the Directors' Remuneration Policy which is set out on pages 76 to 82. The vote on this resolution is advisory only and the Directors' entitlement to remuneration is not conditional on its being passed.

(3) Resolutions 3 to 10 – Election and re-election of Directors

Resolutions 3 to 10 relate to the retirement and election or re-election of the Directors. The Company's articles of association require a Director who was appointed as such by the Board during the year to retire at the annual general meeting next following his or her appointment. Jonathan Lewis and Baroness Lucy Neville-Rolfe were each appointed as Directors since the date of the Company's last annual general meeting. Consequently, each will retire from office at the AGM and intends to stand for election by the shareholders for the first time.

The Company's articles of association also require any Director who has not been elected or re-elected by the Company's shareholders at either of the two previous annual general meetings to retire. Notwithstanding the provisions of the Company's articles of association, the Board has determined that each of the remaining Directors shall retire from office at the AGM in line with best practice recommendations of the UK Corporate Governance Code for FTSE 350 companies. Each of the Directors intends to stand for re-election by the shareholders.

Brief biographical details of all of the Directors seeking election or re-election can be found at Appendix 1 to this Notice. All were subject to appraisal by the other Board members prior to being put forward for election or re-election (as applicable) by shareholders. The Board has concluded that all of the Directors continue to be effective, showing commitment to their roles, and making the necessary time available for Board and Committee meetings and other duties as required.

(4) Resolutions 11 and 12 – Appointment and remuneration of Auditor

The Company is required to appoint an Auditor to serve for each financial year of the Company. The appointment must be made before the end of the general meeting before which accounts are laid. KPMG LLP have indicated that they are willing to continue as the Company's Auditor for another year. Resolution 11 is, therefore, to appoint KPMG LLP as Auditor for the financial year ending 31 December 2018. As a separate resolution, Resolution 12 authorises the Audit and Risk Committee to determine the Auditor's remuneration.

(5) Resolution 13 – Renewal of Directors' authority to allot shares

The Directors are currently authorised to allot shares in the Company or grant rights to subscribe for or convert any securities into shares, but their authorisation ends on the date of the Annual General Meeting. This resolution seeks to renew the Directors' allotment authority.

If passed, this resolution will give the Directors the authority to allot shares or grant rights to subscribe for or convert any securities into shares up to an aggregate nominal value equal to £11,493,334. This represents approximately 33% of the total ordinary share capital in issue (excluding treasury shares) as at 25 May 2018 (assuming the completion of the Rights Issue launched by the Company on 23 April 2018 (Rights Issue)).

The renewed authority will remain in force until 30 June 2019 or, if earlier, the conclusion of the Company's next Annual General Meeting. As at 21 May 2018, the Company held 2,886,388 treasury shares, being approximately 0.17% of the expected total ordinary share capital in issue as at 25 May 2018 (exclusive of treasury shares and assuming completion of the Rights Issue).

The Directors have no present intention of exercising this authority. However, by granting this authority, the Directors will have the flexibility to take advantage of any appropriate opportunities that may arise.

EXPLANATORY NOTES TO THE RESOLUTIONS TO BE PROPOSED AT THE ANNUAL GENERAL MEETING CONTINUED

(6) Resolution 14 – Disapplication of statutory pre-emption rights

Resolution 14 is a special resolution which, if passed by shareholders, will enable the Directors to allot ordinary shares in the Company, or to sell any shares out of treasury, for cash, without first offering those shares to existing shareholders in proportion to their existing holdings.

The Pre-Emption Group's Statement of Principles supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash representing no more than 5 per cent of issued ordinary share capital (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Accordingly, the purpose of Resolution 14 is to authorise the Directors to allot new shares (and other equity securities) pursuant to the allotment authority given by Resolution 13, for cash up to a nominal amount of £1,724,000 without the shares first being offered to existing shareholders in proportion to their existing holdings. This amount represents approximately 5% of the Company's expected issued ordinary share capital (excluding treasury shares) as at 25 May 2018 (assuming the completion of the Rights Issue).

The Directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles and not to allot shares or other equity securities or sell treasury shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 14 in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company, excluding treasury shares, within a rolling three-year period, other than:

- (i) with prior consultation with shareholders; or
- (ii) in connection with an acquisition or specified capital investment as described above.

The authority sought under Resolution 14 will remain in force until 30 June 2019 or, if earlier, the conclusion of the Company's next Annual General Meeting.

(7) Resolution 15 – Notice of general meetings

The Companies Act 2006 requires the notice period for general meetings of the Company to be at least 21 days. The Company, however, currently has the power to call general meetings (other than an AGM) on at least 14 clear days' notice and would like to preserve this ability. In order to be able to do so, shareholders must approve the calling of meetings on at least 14 clear days' notice. Resolution 15, which will be proposed as a special resolution, seeks such approval. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

The shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The Company notes the notice period provision in the UK Corporate Governance Code which recommends at least 14 working days' notice be given for all general meetings (other than annual general meetings). Insofar as it is appropriate to do so, the Company intends to comply with this provision in the same way that it currently complies with the 20 working days' notice provision applicable to annual general meetings.

(8) Resolution 16 – Authority to make market purchases of ordinary shares

Resolution 16, which will be proposed as a special resolution, is to renew the authority granted to the Directors at last year's Annual General Meeting, which expires on the date of the forthcoming Annual General Meeting, and to give the Company authority to buy back its own ordinary shares in the market as permitted by the Companies Act 2006.

The authority limits the number of ordinary shares that could be purchased to a maximum of 166,838,714 shares, which represents approximately 10% of the expected issued ordinary share capital of the Company (excluding treasury shares) as at 25 May 2018 (assuming completion of the Rights Issue). The authority also sets minimum and maximum prices at which shares may be bought. The renewed authority will, if passed, remain in force until 30 June 2019 or, if earlier, until the conclusion of the Company's next Annual General Meeting.

The total number of options to subscribe for ordinary shares for all executive and employee share schemes of the Company which were outstanding as at 21 May 2018 (being the latest practicable date prior to the printing of this document) was 19,109,220 which represents 1.15% of the expected issued share capital of the Company as at 25 May 2018 (excluding treasury shares and assuming completion of the Rights Issue), and would represent 1.27% of the issued share capital of the Company as at 25 May 2018 (excluding treasury shares and assuming the completion of the Rights Issue) if the full authority to repurchase ordinary shares, as proposed by Resolution 16, were exercised. As at 21 May 2018, the Company held 2,886,388 treasury shares, being approximately 0.17% of the expected total ordinary share capital in issue as at 25 May 2018 (excluding treasury shares and assuming the completion of the Rights Issue).

Any ordinary shares purchased under this authority would be by means of market purchases through the London Stock Exchange. Shares so purchased would be held as treasury shares or cancelled and the number of ordinary shares in issue reduced accordingly. The Directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account other investment opportunities. The authority to repurchase ordinary shares will, if approved by shareholders, only be exercised after careful consideration by the Directors, and if such an exercise would result in an increase in earnings per share and would be in the best interests of shareholders generally.

RECOMMENDATION

The Board considers that the passing of all the resolutions set out in the notice of Annual General Meeting is likely to promote the success of the Company and would be in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the resolutions, as they intend to do in respect of their own beneficial holdings (save in respect of those resolutions in which they are interested).
