

**The Williams-Shapps Plan for Rail represents the biggest change to the railways in 25 years, ending the fragmentation of the past and bringing the network under single national leadership.**

The shared vision for changing Great Britain's railways is summarised in a number of outcomes.

### **Working as one**

- New way of working with the private sector
- Economic recovery and financially sustainable railways
- New offer for freight
- Simpler industry structure

### **Creating better outcomes for customers and local communities**

- Modern passenger experience
- Retail revolution
- Greater control for local people and places
- Cleaner, greener railways

### **Innovating and developing**

- Increased speed of delivery and efficient enhancements
- Skilled, innovative workforce
